Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 02 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells with scattered showers, easing by the evening.

Today:
Sunny spells with some scattered showers across the country that ease from the west, through the afternoon. Feeling a little cooler for this time of the year. Maximum temperature 20 deg C (68 deg F).

Tonight:
Daytime showers ease, leading to a dry evening for most, with some lingering in central and eastern areas, possibly heavy. Feeling cooler under clear skies to the north, cloudy elsewhere. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Dry start to Tuesday with plenty of sunny spells. Mainly dry for most with some scattered showers breaking out across the country into the afternoon, the odd heavy one possible. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
A dry start with heavier, possibly thundery, showery rain developing through the day on Wednesday. Showers again on Thursday with light winds. Sunny intervals and lighter scattered showers on Friday.
